Cry Me a River

Aerosmith

Now you say you're lonely You cried the whole night through Well you can cry me a river, cry me a river I cried a river over you

Now you say you're sorry For being so untrue Well you can cry me a river, cry me a river I cried a river over you

Now you say you're sorry For being so untrue Well you can cry me a river, cry me a river I cried a river over you

You drove me in and drove me out of my head While you never shed a tear Remember, I remember all that you said You told me love was to come in This moment you was, you were...you were

Now you say you love me
Well, just to prove you do
Come on and cry me a river, cry me a river
I cried a river over you
I cried a river over you
I cried a river over...
(yah yah, yeah, yah yah, yeah...)
