

Kiss Your Past Good-Bye

Aerosmith

Finders keepers losers weep

C#m

Down on 42nd Street

F#m

Bare-foot children cryin' my-oh-my

A

I watched you on the avenue

C#m

While other men were having you

F#m

I think that you should let your caged bird fly

A **D**

Kiss your past goodbye

G **F**

Kiss your past goodbye

A **D**

Kiss your past goodbye

G **F#m**

Kiss your past goodbye yeah yeah yeah

A

I've been so lost I must confess

C#m

I've had my share of loneliness

F#m

But yeah it's hard to keep a good man down

A

The loves you lost were all in vain

C#m

The past lives on inside your brain

F#m

I don't think you need those memories Hangin' 'round, yeah

A **D**

Good-bye

G **F**

Kiss your past good-bye

A **D**

You've gotta let it fly

G **F#m**

Kiss your past good-bye, yeah yeah yeah

F#

And if that bird don't fly away

G

There's just one thing I got to say

A

It's later than a deuce a ticks

C#m

Your broken heart, it needs a fix

F#m

You're feedin' off a high that would not last

A

And people they don't seem to care

C#m

And sorry just don't cut it, yeah

F#m

It seems to me you're gettin' nowhere fast

So... Kiss... your... past

A

D

Or kiss your ass good-bye

G

There's no more tears to cry
