

Problems

Aerosmith

Yeah, I know I've felt you in my life
In the streets of every city
Where I dream at night
I met all the bitter saints, and I was sold
But to get to where you want
You can't do what you're told

When you don't know what it is, then you want it
When you don't know what it is, then you want it

I got a whole lot of problems
But it don't matter when I'm with you
A whole lot of nothin'
If I can't have it all with you

Yeah, yeah, yeah

Won't you take me to your heaven?
Give me what I want, give me what I need
Won't you take me to your heaven?
Gonna make me sweat, gonna make me bleed
It's time to wake up
It's time to go to sleep
It's time to wake up
Get outta your head!

Get outta your head!
Get outta your head!
Get outta your head!

Yeah, I know I've felt you in my life
In the streets of every city
Where I dream at night
I met all the bitter saints, and I was sold
But to get to where you want
You can't do what you're told

When you don't know what it is, then you want it
When you don't know what it is, then you got it

I got a whole lot of problems
But it don't matter when I'm with you
A whole lot of nothin'
If I can't have it all with you

If you don't want it
I don't want it
Take my hand and we can get on it
Wake me up on Tuesday afternoon
Yeah, yeah, yeah
