

# Dirty Work

aespa

World domination, I don't gotta say it  
No one like me, so I made my own lane  
Yeah, rebel or die  
They always hating  
Set 'em on fire  
Show me your face, yeah

And I don't really care if you like me, like me  
I don't really wanna play nicely, nicely  
I got the answer, I'll take my chances  
Open your eyes, come and bite me

Sharp teeth bite first  
Real bad business, that's dirty work (Yeah)  
Real bad business, that's dirty work  
Real bad business, that's dirty work  
Bold eyes, cold stare  
Real bad business, that's dirty work  
Real bad business, that's dirty work (Yeah)  
Real bad business, that's dirty work

Work, work, work, work (Yeah)  
Work, work, work  
Real bad business, that's dirty work  
Real bad business, that's dirty work

Say he loyal, but he lied, I could see it in his eyes  
I can tell he wanna eat it, I can tell he want a bite  
If a nigga play me, he gon' wish he never tried  
I know how to do him crazy, fuck his opp and make him cry (Damn)  
Dirty work, show you how to make his tummy hurt (Bitch)  
Pretty bitch, she get money, now he wanna flirt  
I don't trust anyone (Nope)  
Ask me if I give a fuck

Sharp eyes, fierce look  
Real bad business, that's dirty work (Yeah)  
Real bad business, that's dirty work (Yeah)  
Real bad business, that's dirty work  
Hold tight, get tough  
Real bad business, that's dirty work  
Real bad business, that's dirty work (Yeah)  
Real bad business, that's dirty work

We don't see you as a threat  
Weak like the rules, so we shatter the glass  
I do it best  
Break it, don't bend  
With my two feet, I'ma easily pass (Yeah)  
Kick up the dust, let 'em talk about it  
Crawl out the mud, let 'em know about it  
Singing my song, I'ma scream the loudest  
Look in my eyes, yeah, you already found it

Drop it low, low, low, low, low  
Work it out, work it out  
Drop it low, low, low, low, low

Work it out, work it out  
Drop it low, low, low, low, low, low  
Work it out, work it out  
Drop it low, low, low, low, low, low  
Work it out, work it out  
Work it

Sharp teeth bite first  
Real bad business, that's dirty work  
Real bad business, that's dirty work (Yeah)  
Real bad business, that's dirty work (Yeah)  
Bold eyes, cold stare  
Real bad business, that's dirty work  
Real bad business, that's dirty work (Yeah)  
Real bad business, that's dirty work

Work, work, work, work (Yeah)  
Work, work, work  
Real bad business, that's dirty work  
Real bad business, that's dirty work  
Work, work, work, work (Yeah)  
Work, work, work  
Real bad business, that's dirty work  
Real bad business, that's dirty work
