

Dopamine

aespa

Yeah

Mmm

I don't need a man, just accessories
Yeah, you look so good standing next to me
Na-na-na-na
Next, first thing, I need Dopamine
Can't let you close to me

Stop, go, put that in slow-mo
Cheoncheonhi stay low
You know I want you, I want it, yeah
Oh no, you're getting too close
Playing dangerous with me

Uh, commitment
Sigan eopseo naneun (ah, ah)
Tell me if I got you, in your feelings
Algeora mideo sumgilgeonikka itjima
Lock it up inside
I gotta hide the way I feel

Be my little secret
Keep it, hush, hush, but I think I'm in love
Geuraedo mal anhae
I'm thinking that you know
I will never let you in though

I don't need a man, just accessories
Yeah, you look so good standing next to me (Na-na-na-na)
Next, first thing, I need Dopamine
The Dopamine, it's that Dopamine

Ha, I need that Dopamine
Won't let you get too close to me
Soljiki nan jal molla
Ireon love sh- heulleo nunmuri
I, do this on my own, yuh
I do like controller
Said what I said, but with you I be in my head, like (sheesh)
My prettiest problem
You lookin' like you don't wanna solve 'em
Idaero isseullae jameun najunge jameon doenikka
Every time I see you dugeungeorineun my heart rate
Spikes up like a race still to this day
Arabeorin mitbadak that was first base

(But you'll never know)
Commitment, used to be real in it
Tell me if I got ya, in your feelings
'Cause I be in mine, like all the time
You know I anajugil wonhae now

Be my little secret
Keep it, hush, hush, but I think I'm in love
Geuraedo mal anhae
I'm thinking that you know
I won't ever let you in, no

I don't need a man, just accessories
Yeah, you look so good standing next to me (Na-na-na-na)
Next best thing, I need dopamine
That dopamine, it's that dopamine, yeah

I don't need no man, just accessories
That's what I thought I was, but honestly
You know all that's fake, and, God knows why I need you
Woah, hey

Yeah
