I'm on the Next Level Yeah
I follow the absolute rules
Don't let go of my hand
Unity is my weapon
I walk to KWANGYA
I know your Home ground
Confront the threat
Beat it, beat it, beat it

An unexpected Black out
The temptation is deep and strong
(Too hot too hot)
Letting go of the hands held together
But I'll never give up

I'm on the Next Level
I open the door over there
Next Level
I'll destroy you in the end
Until I reach the

The hostile suffering and sorrow
Make you popping and evolve further
That's my nævis It's my nævis
You lead, we follow
After learning the feelings
Watch me while I make it out

Watch me while I work it out
Watch me while I make it out
Watch me while I work it out
Work it work it work it out

Even the unbearable despair
Can't break my faith
Even if a more painful trial comes
I won't let go of your hand Oh

Never look back
Don't covet things of KWANGYA
If the promises are broken
Everything will be out of control, the signal is
Becoming unstable since a certain point in time
I'll destroy you in the end
Come on! Show me the way to KOSMO Yeah

A hallucination quest created by the Black Mamba
Aespa, they want to separate out ae, that's right
I lose my balance and my voice too
In the illusion of being criticized and alienated
Nævis We (Call ae, ae)
Aespa's Next Level Open "P.O.S"
This is the REAL WORLD, I'm awake

We against the villain
What's the name?
Black Mamba

I open the door in the end
That light is like Fire to you
(Too hot too hot)
I'm dying to know
The next Story that will unfold
Huh!
