To the unprepared stage
Corner me in, Fake on me

You shake me up so that I feel ashamed

Cold spectators are collapsed, ae
I can't stand you anymore, Say No! Yeah yeah

Your hallucinations are becoming
The reasons to construct you

Defeating a subtle alienation
And making me drift
Apart from my ae

Cut it down, my sword of light
To you who is damaged
It's a merciless punch

I block your regenerative power
I distract you, I leave you out
