Supernova

I'm like some kind of supernova
Watch out

Look at me go
Have some fun
With the core of light
So hot, hot
Open the door
Feelin' each other's presence
Like a Discord
My lookalike, who are you? (Incoming; Drop)

Event's imminent ah, oh, ayy
Blowin' up crazy ah, oh, ayy
That tick, that tick, tick bomb

That tick, that tick, tick bomb
Won't dare touch it
No one ever will
Rightnow it's inside me
Su-su-su-supernova

Nova
Can't stop hyperstellar
Seek its origin
Bring the light of a dying star
Watch this universe I've brought out
Supernova

Ah, body bang (Bang, bang, bang, bang, bang, bang)
Make it feel too right

Swept-up energy, it's so special
Cruel queen and the scene, its finale
It's massive, this explosion within me
Every one of my cells are created from stars (Under my control, ah)

Questions keep comin' ah, oh, ayy
Where did we come from oh, ayy
Feel it in me (Huh)
