

Tornado

aespa

Said it, boy, thought you would (Ah, yeah)
Say it, boy, I always got you and I do love you
Light up my heart, act like you know
I am a different world but I'll give you a chance like

Maybe I just need your loving (Your loving), mm, love me (Love me)
I just want you to want me (To want me), I should be your one and only (Yeah
, yeah)
Do it fast on it, mm-ah, pull up on me, mm-ah
(Now) Now that I got you, it's time to go, so

I make your mind go tornado
Passin' you by, it go slo-mo
You know this beat is on 808
And I'm gonna make you mine, maybe we can intertwine
Go and hit it, put you on that, ooh
Begging me please, you gotta come through
Boy, I got you falling, now you on the line
Why you got me spinning like tornado?

One step, two step
Go ahead, I'm making you sweat
Throw it back like this my asset
Oh, yeah, now do it again
One step, two step
Go ahead, I'm making you sweat, yeah, it go like
Boy, you got me falling now, I'm on the line like
Baby, got me spinning like tornado

Take you on a ride, got you on a red eye (Eye)
Make you feel alright, then I'll leave you boy, bye (Bye)
When I'm mad, don't test me, boy, just wait (Wait)
Don't want no love, I'm just tryna get payed (Ooh)
Ting a ling, a ling like Shabba (Shabba)
I'ma pull your head out the gutta (Gutta)
I'm the only me, ain't no other (Other)
Stepping to the beat like bruk up, bruk up

Maybe I just need your loving (Your loving), mm, love me (Love me)
Are you down, are you needy? Step up, baby, and show me (Yeah)
Do it fast on it, mm-ah, pull up on me, mm-ah
(Now) Now that I got you, it's time to go, so

I make your mind go tornado
Passin' you by, it go slo-mo
You know this beat is on 808
And I'm gonna make you mine, maybe we can intertwine
Go and hit it, put you on that, ooh
Begging me please, you gotta come through
Boy, I got you falling, now you on the line
Why you got me spinning like tornado?

One step, two step
Go ahead, I'm making you sweat
Throw it back like this my asset
Oh, yeah, now do it again
One step, two step

Go ahead, I'm making you sweat, yeah, it go like
Boy, you got me falling now, I'm on the line like
Baby, got me spinning like tornado

One step, two step
Step into the beat like
Like bruk up, bruk up

Feelin' like you're some
Feelin' like you're something more
Yeah
Babe, I got you spinning round in my tornado
