

LAX

Aesthetic Perfection

She's not picture perfect,
It's all sorcery,
She's so sick,
So sick,
So sickening,
And she'll promise heaven,
Immortality,
There's no way,
No way,
No way she'll let me leave.
I'm going back to my,
LAX,
LAX,
Won't turn my back on my,
LAX,
LAX,
Forever living the dream.
For her I suffer,
Love of my life,
We get down,
Get down,
Get down just to get high,
And the stars keep shining,
Fighting to stay alive,
They burn out,
Burn out,
Burn out before they die.
I'm going back to my,
LAX,
LAX,
Won't turn my back on my,
LAX,
LAX,
Forever living the dream.
Forever living the dream.
I'm going back to my,
LAX,
LAX,
Won't turn my back on my,
LAX,
LAX,
Forever living the dream.
Forever living the dream.
