

## Love Like Lies

Aesthetic Perfection

I don't dream much anymore,  
'cos sleep don't come easy for,  
A fool who's failed at everything,

There's no way that I'm making it through,  
I don't feel myself at all,  
As you rise I slowly fall,  
So I choke and I ache,  
On my own jealousy,  
No I'll never be happy for you.

(Oh no)  
You can't rely on me,  
(I don't know)  
If I can rely on you,  
(I'm no good)  
Don't ever rely on me,  
Just let me rely on you.

Well I know it's self absorbed,  
But I'd like to be adored,  
I know it's fake but I can't relate,  
To the world in the way that you do,  
I don't see the point at all,  
As my skin begins to crawl,  
So I laugh and I drink so that nobody sees,  
It's a lie that I'm selling to you.

No love.  
Just lies
