Aesthetic Perfection

S.E.X

(You know I love it more)

S.E.X

(You know I want it more)

S.E.X

(You know I love it more)

S.E.X

(You know I want it now)

You're like a vision

You're like some kind of dream

Craving collision

If you know what I mean

You're oh so perfect

I don't deserve it

Down in the ditches is where I wanna be

I think the things I'd never say out loud

Can't be too forward

So I'll spell it out...

I want your

S.E.X

(You know I love it more)

S.E.X

(You know I want it more)

S.E.X

(You know I love it more)

S.E.X

(You know I want it now)

Why are we waiting?

Where's the world gonna go?

I've picked my poison

Now I'd die for a dose

Ooo, the taste of velvet

So overwhelming

Your very essence is so electrical

When all the words on the tip of my tongue

I'm here to serve so tell me what you want

I want your

S.E.X

(You know I love it more)

S.E.X

(You know I want it more)

S.E.X

(You know I love it more)

S.E.X

(You know I want it now)

The burnin'

The yearnin'

It's not for everyone

The burnin'

The yearnin'

It's just for you my love
