

# Be Alright

Afgan

Dengarkanlah suaraku  
Dekaplah tanganku  
Semuanya akan baik saja  
Percayalah padaku  
Tak perlu meragu  
Bersama kita hadapi semua

Semua yang ada di depan mata  
Ini harusnya memberi arti  
Semua yang pernah terjadi dulu  
Harusnya dewasaikan hati

It's gonna be alright  
Take my hand and we can fly away  
Alright  
To the land where all our dreams come true  
It's gonna be alright  
No more tears just wipe your fears away  
Maybe not today, but tomorrow we're gonna be alright

Baby, trust me  
We'll be alright  
Baby, believe me  
'Cause we'll be just fine  
Thru' all the ups and downs we keep movin' on  
Maybe not today, but tomorrow we're gonna be alright

We go we go gonna be alright  
We go we go gonna be alright  
We go we go gonna be alright  
We go we go gonna be alright

Yakinilah langkahmu  
Percaya anganmu  
Semuanya akan baik saja  
Kobarkan semangatmu  
Jangan pernah padam  
Bersama kita hadapi semua

Semua yang ada di depan mata  
Ini harusnya memberi arti  
Semua yang pernah terjadi dulu  
Harusnya dewasaikan hati

It's gonna be alright  
Take my hand and we can fly away  
Alright  
To the land where all our dreams come true  
It's gonna be alright  
No more tears just wipe your fears away  
Maybe not today, but tomorrow we're gonna be alright

Baby, trust me  
We'll be alright  
Baby, believe me  
'Cause we'll be just fine  
Thru' all the ups and downs we keep movin' on

We'll be alright  
Baby, believe me

We go we go gonna be alright  
We go we go gonna be alright
