

Count On Me

Afgan

If you ever lost
I can be your shelter in a storm
I can be everything you need and more
If you need someone to hold you
When you're feeling oh so alone
I will be right there to guide you home

Even if it feels
Too much for you to take
Even if the sun
Seems to fade away
I will try my best to make it OK again
I'll promise I'll stay oh baby I will be there

Oh baby you can count on me
Whenever the dark is all you see
Baby when you feel afraid
I'll try to give you
The courage that you need
Won't you count on me

I know sometimes it's hard
For you to believe it'll be OK (it'll be OK)
I want you to trust that things
Will turn out right
When you feel like you're surrounded by a world
That so cruel (so cruel)
I will be right there by your side

Even if it feels
Too much for you to take
Even if the sun
Seems to fade away
I will try my best to make it OK again
I'll promise I'll stay oh baby (I'll promise I'll stay)
I will be there

Baby you can count on me
Whenever the dark is all you see
Baby when you feel afraid
I'll try to give you The courage that you need
Won't you count on me

Even if everybody else
Looks the other way
Never give up on hope
Together we'll find away
It may seem impossible now
But later you'll see (later you'll see)
Better days will come
Oh baby

Oh baby you can count on me (yeah)
Whenever the dark is all you see
Baby when you feel afraid (feel afraid)
I'll try to give you (I'll try to give you)
The courage that you need (baby)

Won't you count on me

Oh baby you can count on me
Whenever the dark is all you see
Baby when you feel afraid
I'll try to give you
The courage that you need
Won't you count on me
