

Heaven

Afgan

Sometimes when I'm with you
I just get that feeling inside
Sometimes when I see you
I can't take you out of my mind

Everyday from the sun rising up till the night falls
Give my all just for you cause you're all I'm dreaming of
Nothing else I need you to do

You should know by now
That I feel so good somehow
Inside
Ever since day one
I knew you were the one
Inside

Every kiss, every touch
Makes my heart feel so fine
I'm in heaven
I'm in heaven

Everyday from the sun rising up till the night falls
Give my all just for you cause you're all I'm dreaming of
Nothing else I need you to do

You should know by now
That I feel so good somehow
Inside
Ever since day one
I knew you were the one
Inside

Every kiss, every touch
Makes my heart feel so fine
I'm in heaven

Come over baby, just lay here with me
You know that I'll be the first thing you see
Cause you're the reason I breathe easily
Easily, easily

You should know by now
That I feel so good somehow
Inside
Ever since day one
I knew you were the one
Inside

Every kiss, every touch
Makes my heart feel so fine
Every kiss, every touch
Makes my heart feel so fine
I'm in heaven
I'm in heaven
I'm in heaven
I'm in heaven, baby
I'm in heaven

I'm in heaven
I'm in heaven, heaven, heaven, heaven, baby
Oh I'm in heaven
I'm in heaven
Heaven
