

if i don't have your love

Afgan

I gotta be crazy
But I'm just passing the time
I know that you're sick of waiting
I gotta make up my mind
You want me to be honest
But I'm telling you now
If it all goes up in smoke
Don't know if I'll throw you a rope

Cause I'm no good at saying goodbye
So let's not wait till the water runs dry
I might leave like a ghost in the night
You want me to come over
I know you're looking for closure

You know you gotta piece your heart
Back together yourself
I know you need me
But you need somebody else
Don't wanna let you down
Don't wanna let you down
Cause I can't hurt you girl
Oh, if I don't have your love

I'm only sayin
What you already know
You know I'm only stayin
Cause you don't want me go
You want me to be honest
But I'm telling you now
If it all goes up in smoke
Don't know if I'll throw you a rope

Cause I'm no good at saying goodbye
So let's not wait till the water runs dry
I might leave like a ghost in the night
You want me to come over
I know you're looking for closure

You know you gotta piece your heart
Back together yourself
I know you need me
But you need somebody else
Don't wanna let u down
Don't wanna let u down
Cause I can't hurt u girl
Oh, if I don't have your love
