

Rollercoaster

Afgan

Pertama ku bertemu
Ku tahu pasti engkau berbeda
Sekejap saja aku terbuai olehmu

Tiga minggu berlalu
Ku mulai merasakan sesuatu
Entah apa maumu, sungguh tak menentu

Kau terbangkan aku tinggi
Khayalku tak terkendali
Lalu kau jatuhkan diriku
Seakan kau tak peduli

Up!
Down!
On this rollercoaster ride of love
I wont stop!
Not now
On this rollercoaster ride of love
Now baby give it to me (Baby give it to me)
I want you give it to me (Want you give it to me)
I wanna ride with you girl (I wanna ride with you girl)
Baby can you see (Baby you can see)
Now baby give it to me (Baby give it to me)
I want you give it to me (Want you give it to me)
I wanna ride with you girl (I wanna ride with you girl)
Baby can you see (Baby you can see)

Pertama ku sadari
Kau buat diriku tak berdaya
Sekejap saja ku kehilangan kendali

Kau terbangkan aku tinggi
Khayalku tak terkendali
Lalu kau jatuhkan diriku
Seakan kau tak peduli

Up!
Down!
On this rollercoaster ride of love
I wont stop!
Not now
On this rollercoaster ride of love
Now baby give it to me (Baby give it to me)
I want you give it to me (Want you give it to me)
I wanna ride with you girl (I wanna ride with you girl)
Baby can you see (Baby you can see)
Now baby give it to me (Baby give it to me)
I want you give it to me (Want you give it to me)
I wanna ride with you girl (I wanna ride with you girl)
Baby can you see (Baby you can see)

Kau terbangkan aku tinggi
Khayalku tak terkendali
Lalu kau jatuhkan diriku
Seakan kau tak peduli
