

# Thinkin' About U

Afgan

In the dark room  
Rain at the window  
Lights turned down low  
The TV's on  
But I'm not really watching  
Just stare at the glow

I could really do without all these emotions  
But they're running over  
Every minute that I try to hold them back  
They keep getting stronger

Thinking about you  
I hope that your laying  
With thoughts of me too  
I find it so hard to  
Resist the desire  
Burning for you

Thought this feeling would fade out  
Just a matter of time  
But all I see is something that I can't deny  
I can't help the way feel  
Wish you'd give me a sign  
I don't want to wait forever  
Cause the moment that I try to reach the answer  
It keeps getting further, baby  
All the words that I say don't come out right  
But I still mean them

Thinking about you  
I hope that your laying  
With thoughts of me too  
I find it so hard to  
Resist the desire  
Burning for you

Thinking about you  
I hope that your laying  
With thoughts of me too  
I find it so hard to  
Resist the desire  
Burning for you

Whichever road you take I will be there won't you realize  
That every second wasted it takes us longer to get to  
Paradise  
Paradise...

Thinking about you  
I hope that your laying  
With thoughts of me too  
I find it so hard to  
Resist the desire  
Burning for you

For you  
For you...
