## **Band Of Gold**

## **Afghan Whigs**

Now that you've gone
All that's left is a band of gold
All that's left are the dreams I hold
Is a band of gold
And the memories of what love could be
If you were still here with me

You took me from the shelter of my mother I have never known or loved another We kissed after taking vows That night on our honeymoon We stayed in separate rooms

I wait in the darkness of my lonely room Filled with sadness filled with gloom Hoping soon That you'll walk back through that door And love me like you tried before

Since you've been gone
All that's left is a band of gold
All that's left are the dreams I hold
Band of gold
And memories of what love could be
If you were still here with me
