## I'm Her Slave

## **Afghan Whigs**

"Get off that stuff", she said "And I'll stone you instead" "Unchain yourself", said she "And tie yourself to me" We

I'm on the floor, I play with knives You can call and ask your wife She's been over once or twice Likes to use me

And I'm her slave But I don't need, no chain I'll behave

Give me more of what I've come to expect Wrap your love around my neck Understand me when I say You'll deny me

And I'm her slave But I don't need no chain I'm her slave

Get me down with my head up high May your barrel shift that All my worries shift by My love

I'm her slave I'm her slave I'm her slave I'm her slave
