## **Afghan Whigs**

mother's very proud of YOU son come & sit upon her knee i've got some new denial i want to change my plea i've seen through alcohol raise up the sheets again told YOU that YOU should fear me i love to pretend if i was to correct YOU every time YOU was wrong i'd be talking all the time & laughing at YOU twice as long i've seen through alcohol i've seen the auctioneer raise up the sheets again right now i need YOU near through him with him in now we can begin
