

A World Unmade

AFI

The world has
The world has its plans
And I have another

The world is
The world is soon out of time
'Cause I got
'Cause I got mine

The order
The order is chaos
Disorder is the form

My head is
My head is a storm
The form is deformed
Is deformed

I am the current's break
The break
A world
Unmade
Unmade

Imperceptible
Infinite
I'm the heliocentric flaw

I am the current's break
The break
A world
Unmade
Unmade
