Battled

AFI

I can't think and i can't speak!
My mind is not my own!
Feeling like my will is weak!
Cannot find the strength to go on!
I've battled! i'm fucking battled man!
I've battled! i've battled yeah!
I've battled! i'm fucking battled man!
I've battled! i can't think and i can't speak!
My mind is not my own!
Feeling like my will is weak!
Cannot find the strength to go on!
I've battled! i'm fucking battled man!
I've battled! i've battled yeah!
I've battled! i'm fucking battled man!
I've battled!
