

# Blasphemy And Excess

AFI

It's lightning fast  
How slow it goes  
So don't ask  
And I'll show, I'll show

Hope for the harsh  
Here is a cloud  
Hush, say hush now  
Hope for the harsh  
Here is a cloud  
You'll like it loud  
You'll like it

Here is blasphemy  
In no excess  
And here, here  
Here is success

For demon seeds  
A hallow cross  
Spiritual needs?  
Utter loss

Play on the floor  
Sleep on big screens  
Isn't it nice now?  
Play on the floor  
Sleep on big screens  
Isn't it nice?  
Isn't he?

Here is blasphemy  
In no excess  
And here, here  
Here is success

Here is blasphemy  
No fucking regrets  
Here is blasphemy  
Here's to success, here's to success

Repel  
Repel  
Repel the repellent

Here is blasphemy  
In no excess  
And here, here  
Here is success

Here is blasphemy  
No fucking regrets  
Here is blasphemy  
Here's to success, here's to success
