

Far Too Near

AFI

Through the green door, finally impure
Your smile tells me that I can't
Stay here assured, well understood
I only wish that I could, if I could I'd...

Give my heart to you
I'd give my heart to you if I could
Give my heart to you
I'd give my heart to you if I could

Locked the green door, ever unsure
My smile tells me that I can't
Keep you in fear, without a word
My only wish I'd take back, I'd take back if I could...

Give my heart to you
I'd give my heart to you if I could
Give my heart to you
I'd give my heart to you if I could

If I can't then what is that crashing sound?
Far, we're far too near
I know too well that crashing sound
Far from gone you'll hear me

I'd give my heart to you
I'd give my heart to you if I could
Give my heart to you
I'd give my heart to you if I could

Give my heart to you
Give my heart to you if I could
