

# Halloween

AFI

Bonfires burning bright  
Pumpkin faces in the night  
I remember halloween  
Dead Cats hanging from poles  
Little Dead are out in droves  
I remember Halloween  
Brown Leafed Vertigo  
Where skeletal life is known  
I remember Halloween  
This day anything goes  
Burning bodies hanging from poles  
I remember Halloween

Halloweeeeeen  
Halloweeeeeen  
Halloweeeeeen  
Halloween!

Candy apples and razor blades  
Little dead are soon in graves  
I remember Halloween  
This day anything goes  
Burning bodies hanging from poles  
I remember Halloween
