

## Holy Visions

AFI

When the pen hides from my hand  
It leaves me free to keep digging  
Underground there is a man  
Ever glowing, calling me home

Holy visions  
Holy visions understand  
Holy visions  
Holy visions while in my left hand  
Holding cheap beads, I'm going up and down the rosary  
Holy visions

When the sun drops out of sight  
It leaves me free to flutter reckless  
Underground there is a girl (a glowing girl)  
Burning brightly, calling me home

Holy visions  
Holy visions understand  
Holy visions  
Holy visions while in my left hand  
Holding cheap beads, I'm going up and down the rosary

Bright lights, and nothing less  
Catching my eye, hung around your neck  
Cheap beads, a soft scarlet  
Catching your eyes, draped around my neck

Holy visions

Holy visions understand  
Holy visions  
Holy visions while in my left hand  
Holding cheap beads, I'm going up and down the rosary  
Going up and down the rosary  
Holding cheap beads, I'm going up and down the rosary  
Holy visions
