

Let It Be Broke

AFI

I live in truth, complacently.
Where's the threat you see in me?
Am I the cause of your Self consciousness?
You scream at me
'cause I can't ignore the destructiveness that you support,
'cause my life's contrary to yours.
No soft words from my mouth.
A glazed look in your eyes.
I live in the world of reality,
you comfort yourself with lies.
I will release myself,
I will detach myself (from you).
I will detach myself from your kind.
I've seen your life but I can't see
how it is that you can be
so content in your own ignorance.
Its been so dark
for so long
now a new light has come along,
illuminating all,
so shut your eyes.
No soft words from my mouth.
A glazed look in your eyes.
I live in the world of reality,
you comfort yourself with lies.
I will release myself,
I will detach myself (from you).
I will detach myself from your kind.
I will release myself (from you)
I will detach myself (from you)
I will detach myself
I will defy, will defy
I won't tell you what you want to hear,
I will show you what's real.
what's real, what's real
WHAT'S REAL!
YEAH!
I WILL, (WILL DEFY)
I WILL, (WILL DEFY)
I WILL, (WILL DEFY)
WILL DEFY
WILL...
