

Nooneunderground

AFI

There's no one on the streets
There's no one in the home
There's no one in your heart
There's no one in the photo

It all sounds like the bottom of the sea
An atomic attack, an atomic attack
It all sounds like the bottom of the sea
Like two trains
Left the track, left the track, left the track, left the track,
left the-

There's no one in the sky
There's no one underground
There's no one in the photo
That makes a metal sound

It all sounds like the bottom of the sea
An atomic attack, an atomic attack
It all sounds like the bottom of the sea
Like two trains
Left the track, left the track, left the track, left the track,
left the-

Empty house
Empty house
Empty home
The family isn't there
Empty eyes
Empty eyes
Empty stare
The feeling isn't there

It all sounds like the bottom of the sea
An atomic attack, an atomic attack
It all sounds like the bottom of the sea
Like two ghost trains
Left the track, left the track, left the track, left the track,
left the track
