

On Your Back

AFI

Is there a feeling or just a touch?
I want to tell you but I know I've said too much
About the history, about the signs
You've opened on your thighs so they may speak your mind upon love

Show me how it's done
With more than a scarring touch
Love, show me how it's done
With less than a fatal rush

There is a feeling
More than a touch
Of endless falling though the drop was not enough
But we made history
They'll see the signs
Reopened on your back to tell them you were mine and seep love

Love, show me how it's done
With more than a scarring touch
Love, show me how it's done
With less than a fatal rush

I had a feeling, more than a touch
We had a feeling, more than a touch
Of endless falling but the drop was not enough
Was not enough
I had a feeling, more than a touch
We had a feeling, more than a touch
Of endless falling and the drop was just enough
We weren't above

Love, show me how it's done
With more than a scarring touch
Love, show me how it's done
With more than a scarring touch

Love, show me how it's done
With less than a fatal rush
