

Baby Jane don't leave me hanging un the line  
I knew you when you had no one to talk to  
Now you're moving in high society  
Don't forget I know secrets about you  
I used to think you were un my side  
But now I'm no longer sure  
I wish I knew what I know before  
When I give my heart again  
I know it's gonna last forever  
No one tell me where or when  
I know it's gonna last forever  
Baby Jane don't it make you feel sad  
Just when I thought that we were winning  
You and I were so close in every way  
Don't time fly when you're loving and laughing  
I've said goodbye so manytimes  
The situation ain't all that new  
Optimism's my best defense  
I'll get through without you  
When I give my heart again  
I know it's gonna last forever  
No one tell me where or when  
I know it's gonna last forever  
I won't be that dumb again  
I know it's gotta last forever  
When I fall in love again  
I know it's gonna last forever  
Baby Jane I've said all I wan to say  
Go your own way don't think twice about me  
Cause I've got ideas and  
Plans of my own so long darlin' I'll miss you believe me  
The lesson learned was so hard to swallow but  
I know that I'll survive  
I'm gonna take a good look at myself and cry  
When I give my heart again  
I know it's gonna last forever  
No one tell me where or when  
I know it's gonna last forever  
When I fall in love nex time  
I know it's gonna last forevers  
I won't be that dumb again  
I know it'll last forever
