

## Juice And Power

Afro B

A lot of dons don't like me  
They know where to find me  
But we're takin' it lightly  
You can love me or hate me  
Bitch I got the juice and power  
Juice and power, juice and power  
I got the juice and power  
Juice and power, juice and power

You's a glory hunter mad at me  
I think I know why  
Boy you's a glory hunter  
Wearin' things you know you can't buy  
Dem boy ah lie lie lie lie  
Please tell me why why why why why  
Dem boy ah lie lie lie lie  
We can't see eye to eye  
I been a hustler since school  
Every other day we makin' moves  
Call me Nicky breaking all the rules  
She feelin' me, she know I got the juice  
Shoutout the crewdem  
Bun paigons, we slewdem  
We see right through them  
They can never be my friend

A lot of dons don't like me  
They know where to find me  
But we're takin' it lightly  
You can love me or hate me  
Bitch I got the juice and power  
Juice and power, juice and power  
I got the juice and power  
Juice and power, juice and power

See I got more juice than you  
You look a mess boy, that ain't no sauce  
We stepped in 2 by 2  
But I came in with all of the goons  
See I got more juice than you  
You look a mess boy, that ain't no sauce  
We stepped in 2 by 2  
But I came in with all of the goons  
See I'm powered down and I ain't fallin'  
Tell a pussy boy that this the warnin'  
Me and K hit showsdem with the mandem  
Hella shellings, know we dun talkin'  
See I'm powered down and I ain't fallin'  
Tell a pussy boy that this the warnin'  
Me and K hit showsdem with the mandem  
Hella shellings, know we dun talkin'

A lot of dons don't like me  
They know where to find me  
But we're takin' it lightly  
You can love me or hate me  
Bitch I got the juice and power

Juice and power, juice and power
