

Anywhere With You

Afrojack

Wherever you go, you know I'd follow you
'Cause I'd go anywhere, anywhere, anywhere with you
Just say, "Let's go", I'd run away with you
'Cause I'd go anywhere, anywhere, anywhere

Anywhere with you
Anywhere with you
Anywhere with you
Anywhere with you

Just say, "Let's go", I'd run away with you
Yeah, I'd go anywhere, anywhere, anywhere
Anywhere with you

Just so you know, I got your back, that's true
And I'd do anything, anything, anything for you
Just say, "Let's go", I'd run away with you
'Cause I'd go anywhere, anywhere, anywhere

Anywhere with you
Anywhere with you

Wherever you go, you know I'd follow you
'Cause I'd go anywhere, anywhere, anywhere with you
Just say, "Let's go", I'd run away with you
Yeah, I'd go anywhere, anywhere, anywhere
Anywhere with you

Just say, "Let's go", I'd run away with you
Yeah, I'd go anywhere, anywhere, anywhere

Anywhere with you
Anywhere with you
Anywhere with you
Anywhere with you

Wherever you go, you know I'd follow you
'Cause I'd go anywhere, anywhere, anywhere with you
Just say, "Let's go", I'd run away with you
Yeah, I'd go anywhere, anywhere, anywhere
Anywhere with you
