

Boom Boom Pow

Afrojack

Turn the music up, gimme room, room
This is how I boom, boom, pow, got a lot of style
Turn the music up, gimme room, room
This is how I boom, boom, pow, got a lot of style
Turn the music up, gimme room, room
This is how I boom, boom, pow, got a lot of style

Bad chick and you know it
Got a lot of dough and tonight I'm gonna show it
Tonight I'm gonna throw it
This is for the good girls in the house, I'm gonna blow it
If you wanna start somethin', let's get it poppin'
When I'm shoppin', gimme broom, I'm high like zoom
This is Versace, not Fruit of the Loom
Boom, boom, pow, got a lot of style

Turn the music up, gimme room, room
This is how I boom, boom, pow, got a lot of style
Turn the music up, gimme room, room
This is how I boom, boom, pow, got a lot of style
Turn the music up, gimme room, room
This is how I boom, boom, pow, got a lot of style
Turn the music up, gimme room, room
This is how I boom, boom, pow, got a lot of style

When I step in the room, I cause a monsoon
Step back, 'cause I need elbow room
Pour up the liquor, it's never too soon
I go off like a stage bomb, boom!
If you do me wrong, it's boom, boom, ciao
I'm so lit, I wanna boom, boom now
My fur coat, looking like a chow chow
So much ice on, I need a plough now

If you wanna start something, let's get it poppin'
When I'm shoppin', gimme broom, I'm high like zoom
This is Versace, not Fruit of the Loom
Boom, boom, pow, got a lot of style

Turn the music up, gimme room, room
This is how I boom, boom, pow, got a lot of style
Turn the music up, gimme room, room
This is how I boom, boom, pow, got a lot of style
Turn the music up, gimme room, room
This is how I boom, boom, pow, got a lot of style
Turn the music up, gimme room, room
This is how I boom, boom, pow, got a lot of style

Club going up
Can't shut us down, down, down
Show me some love
I need it now, now, now
My money up
Look at me now, now, now
You wanna stunt
I'll show how, how, how

If you wanna start something, let's get it poppin'
When I'm shoppin', gimme broom, I'm high like zoom
This is Versace, not Fruit of the Loom
Boom, boom, pow, got a lot of style

Turn the music up, gimme room, room
This is how I boom, boom, pow, got a lot of style
Turn the music up, gimme room, room
This is how I boom, boom, pow, got a lot of style
Turn the music up, gimme room, room
