

# No Tomorrow

Afrojack

Oh yes  
Might just blow a whole check  
Oh yes  
Run up like I owe debt  
Oh yes  
She woke up in my old sweats  
Oh yes, oh yes, oh yes  
Oh yes  
Might just blow a whole check  
Oh yes  
Run up like I owe debt  
Oh yes  
She woke up in my old sweats  
Oh yes, oh yes, oh yes  
Wake up every morning  
Thank God for another day  
I roll it up, light it up, hit the blunt and take the pain away

No tomorrow, like there's no tomorrow  
No tomorrow, like there's no tomorrow  
We gettin' lit just like there's no tomorrow  
No tomorrow, like there's no tomorrow  
No tomorrow, like there's no tomorrow  
No tomorrow, like there's no tomorrow  
We gettin' lit just like there's no tomorrow  
No tomorrow, like there's no tomorrow

Told her come get high in my location  
Throw it back and put that shit in rotation  
Tryin' knock me down just like it's probation  
Beatin' no cases  
Cracking cold cases  
Talkin' like a freak, I know you ain't one  
I know what you came for  
You know where I came from  
Money talkin' but they ain't saying nothing  
Ballin' like they the one  
Million on my day one

No tomorrow, like there's no tomorrow  
No tomorrow, like there's no tomorrow  
We gettin' lit just like there's no tomorrow  
No tomorrow, like there's no tomorrow  
No tomorrow, like there's no tomorrow  
No tomorrow, like there's no tomorrow  
We gettin' lit just like there's no tomorrow  
No tomorrow, like there's no tomorrow

O.T  
I bought a Double R (key)  
I bought a new chain (gold)  
I bought a new house (right)  
I bought a new ring (right)  
Got me a check, a check, a check  
I'm feelin' so cool man (cool)  
All of these rappers wish they're me  
But they need school man

I love a white girl  
She drives me so crazy  
Smokin' on all this weed, it got me so lazy  
Always knew that I'd be a star  
Just like a Mercedes  
All of these whips in my front yard  
But I'm like, "Fuck slavery"  
Livin' my life today, hatin' on me, better pray  
No [?], day after day after day  
Caught me a case, beat the charge  
Now I'm back in the street  
Jury lit, now I'm froze  
You're like a package of me

No tomorrow, like there's no tomorrow  
No tomorrow, like there's no tomorrow  
We gettin' lit just like there's no tomorrow  
No tomorrow, like there's no tomorrow  
No tomorrow, like there's no tomorrow  
No tomorrow, like there's no tomorrow  
We gettin' lit just like there's no tomorrow  
No tomorrow, like there's no tomorrow
