

Three Strikes

Afrojack

Like a fighting animal,
I'm about to take you down
Loading up a cannonball
I'm a fire at you now
I already warned you, I told you twice
Into the storm and get ready to fight
You throw a punch, but I, I got a knife
I'm gonna cut you out of my life!

One, two, three strikes
You're out!

Like a fighting animal,
I'm about to take you down
Loading up a cannonball
I'm a fire at you now
I already warned you, I told you twice
Into the storm and get ready to fight
You throw a punch, but I, I got a knife
I'm gonna cut you out of my life!

One, two, three strikes
You're out!

One, two, three strikes
You're out!
