Too Wild

Afrojack

Late nights, every day is a motherfucking party
Too stoned, don't know what I did last night
Hanging with my niggas, getting drunk
Smoking weed and doing what we want
We live our lives
And ain't no one gonna bring us down
Staying out, sleeping when we can
'Cause we don't stop, going hard
Wake up in the morning, do it all again
Roll up the marley, let's get it started
Life of the party
Let's live for today, we might not be here tomorrow

And they say I'm too wild
They say I'm too fun
They say it's too much
But too much ain't enough
'Cause we just want more, more
We just want more, more

Every time I hear the music
I go crazy
Floating, yeah, you take me away
Higher than we've ever been before
Take me to the clouds
Take me to the clouds
Take me to the clouds
Take me to the clouds

Every time I hit the club
I take my money, I spend it all
Staying on the couch, I show 'em love
Don't give a damn, don't give a fuck
Float me up, take me away
I've been in the clouds, never coming down
Somewhere out the space, never on the ground
Always turning up, never turning down
Another hundred grands soon as I turn around
Take me up to where I wanna be
Tired as fuck but we don't wanna sleep
Mary Jane and her paper planes
Pour one shot, you'd better take this drink

They say I'm too wild
They say I'm too fun
They say it's too much
But too much ain't enough
'Cause we just want more, more
We just want more, more

They say I'm too wild
They say I'm too fun
They say it's too much
But too much ain't enough
'Cause we just want more, more
We just want more, more
