

# Suck A D

Afroman

You talking too much, talking too much, tight clothes on  
Walking too much, walking too much  
I'm the man of the house, man of the house, not the mouse  
Commanding my styles, commanding my styles  
Fix me something to eat, something to eat, drink be sweet  
Rub my feet, stroke my meat  
Stop saying you're my wife, saying you're my wife  
Other people in your life, people in your life  
Shut the fuck up, shut the fuck up  
Here's a big dick you can suck up, you can suck up  
Post your boyfriend, post your boyfriend, your invitation  
Come to an end, come to an end  
Put him on Facebook, on Facebook  
Makeup on his face look, makeup on his face look  
Get my money money, get my money money money  
Don't be acting funny honey with my Playboy bunny

Smack her with a dick, smack her with a dick  
Smack her with a dick, smack her with a dick  
Smack her with a dick, smack her with a dick  
Smack her with a dick, smack her with a dick  
Put a dick in your ear, dick in your ear  
Dick in your ear, put a dick in your ear  
Put a dick in your ear, dick in your ear  
Dick in your ear, put a dick in your ear  
Now blind the bitch, blind the bitch  
Blind the bitch, blind the bitch  
Blind the bitch, blind the bitch  
Blind the bitch, blind the bitch
