

I've Got What You Need

Afromental

when i look at your body i see
you're really attractive baby girl yeah baby girl yeah.
you're lookin' by me by me i'm findin compash and startin'
don't you know girl?
when you mess around me makes me go crazy
i'm tryin' to keep up but still i'm kinda lazy
you're next to me pretending to be a queen
you're going by livin now still lookin' at me girl

i've got what you need but if you don't it cry
is no fuckin tonight baby girl
so do what you get or you do what is right
it's your decision it's your time

babe, you see my smile and moving quicker
maybe you think that i'm a love seeker
but i want you now for them gold-
diggers to look and that you wondering can [?]
every move that you make
everytime that you look at me
every smile that i see makes me think of my fantasies
i'll be by your side
we both gettin down
but it turn around to pay with another girl

i've got what you need but if you don't it cry
is no fuckin tonight baby girl
so do what you get or you do what is right
it's your decision it's your time
