# Naughty By Danger

**Afromental**

Hypnotizing sounds, they're going straight into your head
Listen closely if you're not scared
I'm gonna be honest with you, it's not a tale it's just a trap
I got something you won't regret
Hey little girl I have the sweetest candy bags
Come on closer it's your favorite taste
You put your hand inside, I see your chicks are turning red

You've tried and turned into a whore (sexy, sexy, sexy)
You like it when your body's sore (sexy, sexy, sexy)
Your mind is freakier than your soul (sexy, sexy, sexy)
Your hungry eyes they scream for more
Yeah, so gimme more baby

So move sexy
Dance sexy
Walk sexy
Crump (sexy)
So love sexy
Fuck sexy
Eat sexy
Cum (sexy)

Don't be shy
Don't even try to pretend
I can tell a bad girl's in there
I'm not some guy
Who only wants to be your friend
So walk this way I'll make you flare
The way you move
Makes me sure you're not an angel
I know the shortcut straight to hell
Let's make it rough
Go get excited 'bout the danger

You've tried and turned into a whore (sexy, sexy, sexy)
You love it when your body's sore (sexy, sexy, sexy)
Your mind is freakier than your soul (sexy, sexy, sexy)
Your hungry eyes they scream for more
Right, I give you more baby

So move sexy
Dance sexy
Walk sexy
Crump (sexy)
So love sexy
Fuck sexy
Eat sexy
Cum (sexy)
