

Rollin' with You

Afromental

I'm rollin', I'm I'm I'm rollin'
I'm rollin', I'm I'm I'm rollin'

Awaken attitude in my mood
It's time to rock it, today is goin' be mine
Maybe somehow I'm fallin' on you
Crosses running, let's think wich treasure I'll choose

I'm ready, I'm daring the rude, I feel the fire
Don't try to stop me now
I'm burning, I'm letting the loose
Today nothing's gonna bring me down

Going on, everyone, try to stay all night on dream
Summer sky, just falling down
Like something who play tricks on me
This falling (down) I'd like to know (how) put on me back on the dreams
I know that attitude in my life the way I wanted to be

I'm rollin', but some clowns are blocking my way
I'm rollin' with you
There is something going on with the world 'cause they're following me
I'm rollin' with you

I'm rollin', I'm I'm I'm rollin'
I'm rollin', I'm I'm I'm rollin'
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you)
I'm rollin', I'm I'm I'm rollin'
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you babe)
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you)
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you babe)
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you)
I'm rollin', I'm I'm I'm rollin'
I'm rollin' with you

Get down, the draws flying near
They try to play their games on you
I won't stop with my steering wheel
I do what I would do-do and no clown will block me

Going on, everyone, try to stay all night on dream
Summer sky, just falling down
Like something who play tricks on me
This falling (down) I'd like to know (how) put on me back on the dreams
I know that attitude in my life the way I wanted to be

I'm rollin', but clowns looking to stop me
If there is something going on, I'm alright and I'm still on my way
On my way

I'm rollin', I'm I'm I'm rollin'
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you)
I'm rollin', I'm I'm I'm rollin'
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you babe)
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you)
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you babe)
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you)

I'm rollin', I'm I'm I'm rollin'
And everybody sing it
Woah woah woah
'Cause I'm rollin' down, rollin' with you
Woah woah woah
So come on, come on

I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you babe)
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you)
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you babe)
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you)
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you babe)
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you)
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you babe)
I'm rollin', I'm I'm I'm rollin' (I'm rollin' with you)
