

We Are The Lumberjaxxx

Afromental

I pull on my pants as I finished the job
Last look on your ass I gave you all that I've got
Don't need no thanks, just prepare for the next time
I know you'll call me 'cause you know I'm the best one
All the girls they just freakin' out
Getting wet and screaming loud
They start a fight
Rippin' all my shit apart
Oh if you have got the code
And you're old enough to vote
Eenie meenie miny moe
Which of you will be my ho'

Let your body feel the flo
Let your body feel the flo
Let your body do the pump pump
Let your body do the pump
Let your body feel the flo
Let your body feel the flo
Let your body do the pump pump
Let your body do the pump pump pump!
So all the girls around the world
Just train gymnastics
Go stretch your legs do some steps
And train gymnastics
Work on your ass, work it fast
So train gymnastics
The more you train gymnastics
The more we're getting nasty!

I'm looking at you girt
All your ways out are blur
I can imagine your moves
And the bottle curves
We are the fly fuckers
We got tons of wood
We are the Richie Richies
We sell you all our goods
My wood is fresh, wants to get into your fireplace
Let's burn this house down, sparkles go straight on your face
The roof, the roof, the roof is on fire
We don't need no water, let the motherfucker burn

Let your body feel the flo
Let your body feel the flo
Let your body do the pump pump
Let your body do the pump
Let your body feel the flo
Let your body feel the flo
Let your body do the pump pump
Let your body do the pump pump pump!
So all the girls around the world
Just train gymnastics
Go stretch your legs do some steps
And train gymnastics
Work on your ass work it fast
So train gymnastics

The more you train gymnastics
The more we're getting nasty!
