Virgin

After School

Play the song again, again, again
Play the song again, again, again

Oh my gosh, why have you chosen me?
Oh, please do not, not not me
Unless you have to leave soon
We have no choice Good Bye

If it would've been good Good job
I'm just thankful
The sense of knowing in my heart
Your smile makes me smile

From this moment, I am a Virgin
From my heart, Virgin
Play the song again, again, again
Virgins used to know nothing
Those days are gone
Fade out, fade out, fade out, fade out, fade out

Now on the stage again, it feels like the first time
The dazzling lights again
Virgins used to know nothing
Those days are gone
Fade out, fade out, fade out, fade out, fade out

Play the song again, again, again
Play the song again, again, again

The past was good, the past was sad, the past is no more
I want it back and you
Note that I said I can not ever finish without this
I do not know what the future holds
Regret comes too late if we never take the chance
Either way, take it

From this moment, I am a Virgin
From my heart, Virgin
Play the song again, again, again
Virgins used to know nothing
Those days are gone
Fade out, fade out, fade out, fade out, fade out

Now on the stage again, it feels like the first time
The dazzling lights again
Virgins used to know nothing
Those days are gone
Fade out, fade out, fade out, fade out, fade out

Now on the stage again, it feels like the first time
The dazzling lights again
Virgins used to know nothing
Those days are gone
Diva, diva, diva, diva, diva, diva

From this moment, I am a Virgin
From my heart, Virgin

Play the song again, again, again
Virgins used to know nothing
Those days are gone
Fade out, fade out, fade out, fade out, fade out

From this moment, I am a Virgin
From my heart, Virgin
Play the song again, again, again
Virgins used to know nothing
Those days are gone
Fade out, fade out, fade out, fade out, fade out

Now on the stage again, it feels like the first time
The dazzling lights again
Virgins used to know nothing
Those days are gone
Fade out, fade out, fade out, fade out, fade out

Play the song again, again, again
Play the song again, again, again
