

## On Time

## Afterhours

On time  
I ain't got time,  
only got a dime  
to make a last call  
I'm gettin' soaking wet and  
it ain't rained yet since last fall  
I got myself a coach ticket  
on the Southern railroad line  
I don't have  
to worry 'cause  
I know it never leaves on time  
Late last night  
we made love and  
ev'rything was all right  
You walked out the door  
and the only thing  
I saw was the hall light  
I got myself a coach ticket  
on the Southern railroad line  
I don't have to worry  
I know it never leaves on time  
Why didn't you see that  
you don't feel the same way as I do  
I understood before  
that you couldn't take  
much more as I knew  
I got myself a coach ticket  
on the Southern railroad line  
I don't have to worry  
'cause I know it never leaves  
on time
