

# Strangers Again

## Against the Current

How did I get here  
And what have I done?  
It's like I've been sleeping for two years  
And I'm just waking up  
Like I'm coming out of a blackout  
Like I didn't see you 'till right now  
I look around and I'm feeling like  
I built a prison and put myself in it

(Ahh, ahh)  
I don't wanna go through the motions  
(Ahh, ahh)  
No, I don't wanna

I can't stand it when you touch me like that  
'Cause it just reminds me of the nights that I spent  
Telling myself it was fine  
But now I'm over that  
I think it's better if we just pretend  
We're just strangers again

Where do I go now?  
And where do I start?  
I don't wanna pick up the pieces  
I just wanna watch it all fall apart, fall apart  
Like it should, fall apart, like I said I would  
I wanted out, but you held me down  
And fed me the lies I told you myself

(Ahh, ahh)  
I don't wanna go through the motions  
(Ahh, ahh)  
No, I don't wanna

I can't stand it when you touch me like that  
'Cause it just reminds me of the nights that I spent  
Telling myself it was fine  
But now I'm over that  
I think it's better if we just pretend  
We're just strangers again

We had what we had but it's done  
Now I'm over it  
Held on for too long when I should've let go of it  
And I know it was wrong but I tried to keep hold of it  
It was wrong, it was wrong, it was wrong

I can't stand it when you touch me like that  
'Cause it just reminds me of the nights that I spent  
Telling myself it was fine  
But now I'm over that  
I think it's better if we just pretend  
We're just strangers again  
I can't stand it when you touch me like that  
'Cause it just reminds me of the nights that I spent  
Telling myself it was fine  
But now I'm over that

I think it's better if we just pretend  
We're just strangers again
