Against the Current

Have I lost my mind?
Is this paradise?
Or a darker side?
Candy coated lips
You're the sweetest kiss

But I don't wanna wake up in your

Wasteland
Your wasteland
I don't wanna wake up in your

Just behind the wall
It's not a dream at all
It's a free fall

Know the name but I just can't place it

Took a step but I can't retrace it
You tell me, "Take this"
But I don't wanna wake up in your
