

## Aaaaah

Agar Agar

In my dreamland there is a ghost  
Wondering around the alley  
I saw him in my picture  
He was crumbling and crumbling around  
I can't really get him to try the outfit  
Scissoring into my ears:  
"You're not so far from it, you're not so far  
Get close to it and remember:  
That will be all"  
He said  
Ah ah ah ah
