

What's the point of having dreams today?  
I don't know where to go  
Odile's [?]  
I see her crying at the show

What's the point of living here today?  
I don't know how to pray  
And even if I talk alone, Odile  
I don't know how to feel

What's the point? (What's the)  
I don't know  
What's the point? (What's the)  
I don't know (I don't know)

And I still see you in a crowd  
While all my fears are going away  
(My fears are going away)  
You stand there watching them all play, Odile  
Yet no one sees your pain

I disappear inside the mug  
While all my tears are going away  
(My tears are going away)  
And even I if talk alone, Odile  
You're here to make me sway  
Why not give up the game?

What's the point? (What's the)  
I don't know  
What's the point? (What's the)  
I don't know (I don't know)

(And now I talk alone)  
(Oh yeah I talk alone)

What's the point? (What's the)  
I don't know  
What's the point? (What's the)  
I don't know (I don't know)
