## **Agathocles**

Oh Alexandra with your dog-shit head I really hate the ideas that you spread You think your little club reigns supreme But we'll smash your fascist dream Alexandra's end - I feel the urge to kill you today Alexandra's end Alexandra's end- if I were you I'd surely go away Alexandra's end Alexandra's end- we'll impale you if you stay Alexandra's end Alexandra's end- they say plants can't feel anyway Alexandra's end Your homophobic thoughts make me sick Your fascist talks make me wanna throw a brick A brick in your face, that would be a laugh Just suck the popes' dick and stick it up your arse Alexandra's end - I feel the urge to kill you today Alexandra's end Alexandra's end- if I were you I'd surely go away Alexandra's end Alexandra's end- we'll impale you if you stay Alexandra's end Alexandra's end- they say plants can't feel anyway Alexandra's end You think your little club reigns supreme But we'll smash your fascist dream
