

## Consuming Endoderme Pus

Agathocles

Animal slaughter, it continues all the time  
The meat-industry is growing  
But I'll tell you, what I'll do you to you  
You, ignorant consumers!!

I'll undo you from your skull  
Consume yer endoderme pus  
I'll eat the maggots meal  
By chewing on your corpse

I'll tear open yer thorax  
Wind up yer innards  
To feed my hungry stomach  
And to stop yer filthy greed
